

Massimiano Bucchi

Massimiano Bucchi (Ph.D. Social and Political Science, European University Institute, 1997) is Professor of Science and Technology in Society at the University of Trento, Italy.

He has published eight books, including *Science and the media* (London and New York, Routledge, 1998), *Science in society. An Introduction to Social Studies of Science* (London and New York, Routledge, 2004), *Handbook of Public Communication of Science and Technology* (with B. Trench, 2008), *Beyond Technocracy. Citizens, Politics, Technoscience* (New York, Springer, 2009) and several essays in international journals such as *History and Philosophy of the Life Sciences*, *Nature*, *New Genetics and Society*, *Science* and *Public Understanding of Science*.

He chairs the scientific committee of non profit center Observa Science in Society and is a member of the International Scientific Committee for *Public Communication of Science and Technology* (PCST); he has also served as advisor and evaluator for several research and policy bodies, including the US National Science Foundation, the Royal Society and the European Commission.

He has carried out research and given seminars at several international institutions, such as the Royal Society, London School of Economics, University of California Berkeley, Royal Academy of Sciences Sweden, Science University Tokyo, Rikken Institute, American Association for the Advancement of Science and received several recognitions for his work, including the Mullins Prize awarded by the Society for Social Studies of Science (1997) and the Merck-Serono jury award for science books (2007).

He sits in the Programme Committee supervising the organization of the next European Science Forum (2010) in Torino and chairs the Committee organizing the 2012 World Conference on Public Communication of Science in Technology in Florence.

He contributes regularly to the science and technology pages of newspapers La Stampa and Sole 24 Ore.
